THIS IS NOT A REQUEST FOR QUOTATIONS OR PROPOSALS.  
THIS IS A PRE-SOLICITATION ANNOUNCEMENT ONLY

No solicitation is available. This notice is released pursuant to Federal Acquisition Regulation (FAR) 15.201(c)(5). The information in this notice represents the government's current plans, which are subject to change. This is not a commitment by the government to award a contract at any time.

### Notice

On January 8, 2024, the U.S. Department of Energy's (DOE) Environmental Management Consolidated Business Center (EMCBC) published a Request for Information (RFI) in advance of a procurement for a new Technical, Management, and Administrative services contract on behalf of DOE's Oak Ridge Office of Environmental Management in eastern Tennessee. The RFI was posted both to [SAM.gov](https://sam.gov) and EMCBC's procurement website at <https://www.emcbc.doe.gov/SEB/OREMTMA>.

On May 22, 2024, DOE announced its intention to proceed with the subject procurement utilizing the General Services Administration's (GSA's) Multiple Award Schedules Program set aside for Women-Owned Small Businesses (WOSBs).

DOE now anticipates sending a Request for Quotation through GSA's eBuy system to eligible WOSB schedule holders on or before **August 19, 2024**, with a response deadline no shorter than 45 calendar days. The RFQ and any supplemental information will also be posted on EMCBC's procurement website.
