 SOLICITATION NO. 89303322REM000112
 AMENDMENT 0001 SUMMARY OF CHANGES

<p>L.11(a)</p>	<p>Factor 3: Key Personnel (The Key Personnel section shall be submitted in response to the Energy Technology Engineering Center (ETEC) Task Order at Section L Attachment L-8 and shall not exceed 5 pages, exclusive of resumes and letters of commitment. The key personnel resumes are limited to four pages for each resume.) Offerors shall include the following information in the Volume II - Technical and Management Proposal, related to the proposed key personnel: (a) Key personnel. The Offeror shall propose key personnel for the three (3) required positions of Program Manager, Regulatory Affairs Manager, and Environment, Safety, Health, and Quality Assurance (ESH&QA) Manager. Only one individual may be proposed for each this key personnel position. The Offeror shall not provide names or qualifications of any non key personnel. (1) The Offeror shall identify the organization that will employ each of the key personnel during performance of the contract, e.g., Offeror, Offeror affiliates, teaming partners, or Teaming Subcontractors. (2) The Offeror shall confirm the availability of the key personnel as being full time assigned to the contract and that their permanent duty station is located in the local surrounding area of ETEC. Failure of the Offeror to propose the required key personnel position(s), or to confirm the availability of the key personnel as being full-time assigned to the contract and that their permanent duty station is located in the local surrounding area will adversely affect the Government’s evaluation of the proposal and may make the proposal ineligible for award.</p>	<p>Factor 3: Key Personnel (The Key Personnel section shall be submitted in response to the Energy Technology Engineering Center (ETEC) Task Order at Section L Attachment L-8 and shall consist of a resume and letter of commitment. I also hereby certify that I will be assigned full-time to the contract task order. and my permanent duty station will be located within the local surrounding area of ETEC.</p>

SMALL BUSINESS NATIONWIDE DD&R– FINAL RFP
 SOLICITATION NO. 89303322REM000112
 AMENDMENT 0001 SUMMARY OF CHANGES

L.13	All Offers required by this solicitation are due no later than TBD. Treatment of late submissions, modifications, and withdrawals are governed by the applicable provisions of the solicitation.	All Offers required by this solicitation are due no later than July 10, 2023, at 1700 Eastern . Treatment of late submissions, modifications, and withdrawals are governed by the applicable provisions of the solicitation.
M.2, M.4		Section numbering for Past Performance factor and Key Personnel factor switched to align with relative importance of factors. Past Performance is moved from M.4 to M.2, and Key Personnel is moved from M.2 to M.4.
M.2(d)	(d) Work to be performed. DOE will evaluate the Offeror and all members of a teaming arrangement, as defined in FAR 9.601(1) and any Teaming Subcontractors, in accordance with the work each entity is proposed to perform to cover the work scope described in the ETEC PWS. Each reference contract will be evaluated for relevancy in terms of size, scope, and complexity. The resulting rating may consider whether the Offeror’s team as a whole (including Teaming Subcontractors) have demonstrated relevancy to all PWS requirements.	(d) Work to be performed. DOE will evaluate the Offeror and all members of a teaming arrangement, as defined in FAR 9.601(1) and any Teaming Subcontractors, in accordance with the work each entity is proposed to perform to cover the work scope described in the ETEC PWS. Each reference contract will be evaluated for relevancy in terms of size, scope, and complexity. The resulting rating may consider whether the Offeror’s team as a whole (including Teaming Subcontractors) have demonstrated relevancy to all ETEC PWS requirements.
M.4(a)	(a) Key Personnel. DOE will evaluate the proposed Program Manager, Regulatory Affairs Manager, and Environment, Safety, Health and Quality Assurance (ESH&QA) Manager. DOE’s evaluation of the Program Manager will be the most important aspect of the evaluation of key personnel. Failure of the Offeror to propose the required key personnel position(s), or to confirm the availability of all key personnel as being assigned to the contract full-time and that their permanent duty station is located in the local surrounding area of ETEC will adversely affect the Government’s evaluation of the proposal and may make the proposal ineligible for award. Additionally, failure of the Offeror to provide a letter of commitment for each key personnel will adversely affect the Government’s evaluation of the proposal.	(a) Key Personnel. DOE will evaluate the proposed Program Manager only . No additional Key Personnel are required, and no additional non-required Key Personnel shall be listed in the proposal. Failure of the Offeror to propose the required key personnel position(s), or to confirm the availability of the key personnel as being assigned to the task order full-time and that their permanent duty station is located in the local surrounding area of ETEC will adversely affect the Government’s evaluation of the proposal and may make the proposal ineligible for award. Additionally, failure of the Offeror to provide a letter of commitment for the key personnel will adversely affect the Government’s evaluation of the proposal.
