SUBJECT: Memorandum of Understanding (MOU) for the Use of the Erie County Sheriff's Office (ECSO) Firearms Range

REFERENCE: Letter (378562), B. C. Bower to J .D. Bradford, "Approval for West Valley Demonstration Project (WVDP) Protective Force Rifle Acquisition," dated May 24, 2018

Dear Mr. Anderson:

U.S. Department of Energy West Valley Demonstration Project (DOE-WVDP) and CH2M HILL BWXT West Valley, LLC (CHBWV) agree that the current live fire range facility at the WVDP does not meet required safety specifications for live fire training with assault rifles.

Modification to bring the existing range into compliance would be costly and therefore an alternate solution to utilize an existing range outside of DOE that meets DOE safety and security requirements is the most logical course of action. The following sections detail the requirements for use of non-DOE ranges.

DOE Order 473.3A, Attachment 2

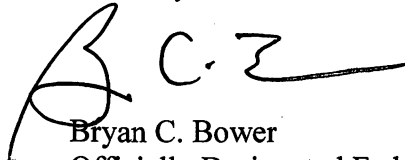

Section J (2)	Section C (4)(b)
b. Basic firearms training must be conducted at a site approved by the ODFSA [Officially Designated Federal Security Authority].	1. Suitable facilities to support applicable CPF [Contractor Protective Forces] activities must be provided and maintained based on mission-specific needs.
	2. Local, State, and Federal law enforcement agencies and Department of Defense/National Guard training facilities are acceptable alternatives to DOE-owned facilities, as long as required DOE certifications and safety guidelines are maintained. In coordination with the CPF contractor, a MOU delineating such use must be completed by the ODFSA and approved by DOE line management.

In anticipation of the rifle acquisition, DOE-WVDP has entered into a MOU with the ECSO for use of their live fire range in Alden, NY. CBHWV will need to modify the existing DOE and West Valley Protective Force (WVPF) live fire "Range Safety Rules" currently in use at the WVDP Firearms Range to incorporate the technical specifications and use of the ECSO Range. Additionally, prior to use of the ECSO Range, WVPF Firearms and Tactical Instructors are required to attend safety and operational training as provided by ECSO Range staff.

The contents of this correspondence are not intended to impact or modify contract scope and/or cost.

Questions regarding this matter can be directed to Anthony Lechanski at Extension 2814.

Sincerely,

E. SUPERVISION/ACKNOWLEDGEMENT OF RISK

DOE-WVDP agrees to promptly consider and adjudicate any and all claims which may arise out of this MOU resulting from the actions of DOE-WVDP, duly authorized representatives, or contractors of DOE-WVDP, and to pay for any damage or injury as may be required by Federal law. Such adjudication will be pursued under the Federal Tort Claims Act, 28 U.S.C. Section 2671 et seq., or such other legal authority as may be pertinent. DOE-WVDP assumes financial responsibility for all claims for personal or property damage, including death, caused by the negligent or wrongful acts of ___DOE-WVDP_____ employees acting in the scope of their employment during the use of the property. COUNTY disclaims any and all liability for damage to any property owned by ___DOE-WVDP_____, including any vehicles (personally or agency owned) that are brought to the facility, especially inside the fenced area of the facility, except where caused by the sole negligence or willful misconduct of the COUNTY.

COUNTY Weapons / Ordnance personnel or their designees have final say on all matters pertaining to safety, usage and administration at the COUNTY range. This supersedes any and all rank or administrative titles carried by members of guest agencies.

H. FORCE MAJEURE

Neither COUNTY or the DOE-WVDP shall be deemed in default hereunder if either Party is prevented from performing any of the obligations by reason of strikes, labor disputes, acts of God, acts of the public enemy, acts of the government, or sabotage or any other circumstances for which it is not responsible or which are not within its control.

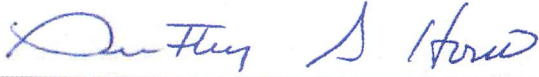

I. FUNDING

At this time there is no method or plan to collect funds from guest agencies for use of the COUNTY range. However, should the need arise in the future in order to maintain the facility at a high standard, parties will agree that any fees will be known and agreed to at the time of training scheduling. Any fees paid by any agency constitute that agency's willingness to have access to a well maintained training venue and at no point will any fees paid constitute any ownership, control or unquestioned right to future use of the COUNTY facility.

J. ENTIRE AGREEMENT

This MOU constitutes the entire agreement between the Parties. This MOU supersedes any and all other agreements concerning COUNTY's firearms range (past, present or promised) verbal, written or otherwise.
