Dear Mr. Anderson:

The U.S. Department of Energy West Valley Demonstration Project (DOE-WVDP) is requesting the data packages (i.e., Radiological Controls survey reports and analytical data packages) that have been developed for both the MPPB and VF (Reference 1) no later than February 14, 2019.

The packages are expected to be consistent with the intent of the Data Quality Objectives (DQOs) and the sampling and analysis plan (SAP) prepared for the characterization of the MPPB (Reference 3). The content of the data packages should be consistent with the information previously requested (Reference 2).

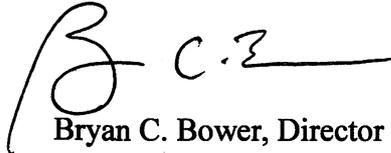

Mr. Scott A. Anderson
