Location of Activity

Enter the physical address in the Location Detail section for each location. Only States that accept this registration are included in the State dropdown list. If your State is not listed, you cannot register locations in that State and should contact the State for further information. *

Tips for entering a location of property where the nest and egg work will occur, as follows:

Homeowner: Enter the physical address of the property: (e.g., 123 Main St., Vienna, Fairfax, VA)

Homeowner Association: Enter the name (e.g., West Lake development) and physical address of the development.

Business/organization: Enter the physical address of the property: (e.g., 123 Main St., Vienna, Fairfax, VA)

Local government or Agency: Enter the physical address or location of the property, or if multiple locations, may describe as a group, (e.g., Fairfax County Park Authority property).

Property management company-owned properties: Enter the name (e.g., Crestview Center) and physical address of the owned property or properties.

Tips for navigating the Location Detail section: The Location List will display the address entered in the Account Profile, as the default.

Add a new location - Click the "Add New" button at the bottom of the page. A blank Location Detail is displayed. Enter the physical address in the Location Detail section. **Once done, you must press the "Save" button to save the newly added record.**

Note: The "Save" button lets you save your data without exiting the web page. It lets you view and edit multiple Locations before you click "Continue" to go to the next page.

Edit location - When you first enter the Location of Activity page, the very first location in the list will be displayed in the Location Detail. You can make changes to the location displayed or to multiple locations. You must first select a location from the Location list, edit the data, press the "Save" button, and then select another location from the same list to continue editing

Delete location: Select a location from the Location list below, the location record will be displayed in the "Location Detail" section. Click the "Delete" button located at the bottom of the Location Detail section. **You may not delete a location once it has been certified at the end of the registration process.**

Refresh: If you do not see one of the Locations in the Location list, click the "Refresh" button to update the screen display. You can also click Refresh to clear any unsaved data

Dave,

Within bnj10031dpk.doc, the reference to the registration number in the second paragraph should be "**RG-01718A**".

Everything else looks good to me.

Thanks,
steveW
