

MEMORANDUM OF UNDERSTANDING
BETWEEN
WEST VALLEY DEMONSTRATION PROJECT
AND
CATTARAUGUS COUNTY OFFICE OF EMERGENCY SERVICES

This memorandum of understanding is entered between the U.S. Department of Energy West Valley Demonstration Project (DOE-WVDP), the New York State Energy Research and Development Authority (NYSERDA), CH2M HILL · BWXT West Valley, LLC (CHBWV) and the Cattaraugus County Office of Emergency Services.

I. INTRODUCTION

1. The United States Department of Energy (DOE) has the overall responsibility for operation of the West Valley Demonstration Project (WVDP) located within the Western New York Nuclear Service Center (WNYNSC) in West Valley, New York.
2. The New York State Research and Development Authority holds title to the WNYNSC on behalf of the state of New York and has overall responsibility for the operation of the State-Licensed Disposal Area (SDA) within the WNYNSC, located in West Valley, New York.
3. CH2M HILL · BWXT West Valley, LLC (CHBWV) is the Prime Contractor for the DOE at the WVDP.
4. The Cattaraugus County Office of Emergency Services is responsible for county wide emergency response. The Cattaraugus County Office of Emergency Services will provide support to the WVDP during operational emergencies or other incidents, including response to emergencies involving hazardous materials through an authorized local Hazardous Materials Team.

II. PURPOSE

5. The purpose of this memorandum of understanding is for the DOE-WVDP, NYSERDA, CHBWV, and Cattaraugus County Office of Emergency Services to provide for timely and effective response as the result of an operational emergency or other incident arising out of or caused by WVDP activities (hereinafter, an "incident").

III. AUTHORITY

6. The WVDP enters into this memorandum of understanding under the authority of DOE Order 151.1C, "Comprehensive Emergency Management System."

IV. RESPONSIBILITIES

7. In the event of a hazardous materials emergency at the WVDP, the Cattaraugus County Office of Emergency Services agrees that initial notification from the WVDP shall be through the Cattaraugus County Sheriff Dispatch.
8. The Cattaraugus County Office of Emergency Services agrees to provide response to hazardous materials emergencies at the WVDP, including the SDA, through an authorized local Hazardous Materials Team when requested.

9. Cattaraugus County Office of Emergency Services agrees to provide support to the WVDP facilities, including the SDA, through the County Mutual Aid Agreement when requested by the West Valley Volunteer Hose Company.
10. The WVDP agrees to familiarize the Cattaraugus County Office of Emergency Services annually with the properties of the hazardous materials handled at the WVDP and the SDA, the location (s) and quantities of these hazardous substances, and the operational emergencies resulting in the release of hazardous materials.
11. WVDP agrees to provide opportunities for an authorized local Hazardous Materials Team to participate in exercises and drills.
12. The WVDP further agrees to familiarize the Cattaraugus County Office of Emergency Services with the procedures used at WVDP for emergency response.
13. The WVDP and Cattaraugus County Office of Emergency Services agree to hold semiannual meetings, through WVDP participation at the monthly New York State Office of Emergency Management (NYS OEM) Western District Regional meetings, to update Cattaraugus County on project activities. These meetings will provide for a coordinated and integrated response.
14. In the event of an off-site radiological incident under the responsibility of the Cattaraugus County Office of Emergency Services, the WVDP agrees to provide support as part of the DOE Radiological Assistance Program.
15. Cattaraugus County Office of Emergency Services agrees to provide support to the WVDP in the establishment of a JIC, (Joint Information Center) which will allow WVDP & Cattaraugus County Public Affairs to meet emergency operational requirements if necessary.
